

HB2039
February 3, 2021
Nick Reinecker
Proponent

House Education Committee
Chair: Rep. Steve Huebert

It is not very often I come to Topeka to participate in my civic duty and be able to say with total certainty and excitement that I am for every aspect of a particular bill being considered. Today, however, I am honored to be a part of this discussion and believe it is not only highly important that this piece of legislation be passed but also believe it is very timely.

We still live in an exceptional country where I am allowed to participate in the process of government, express my thoughts and opinions, and try to effect public policy that promotes liberty and defends the individual's rights. This bill will be a mitigating factor, a shield, if you will, when those who are against these principles attempt to attack, belittle, and/or label liberty loving patriots and their families, whose only desire is to stay free.

It is no secret that there are enemies against our way of life in America and in Kansas. Even now, in this building, we potentially face enemies who are using a "mask" to hide their true intentions. This is a bill that represents another verse in the 2021 chapter of the generational 'war' between tyranny and freedom and I am a proponent, thereof. Posterity, honorable committee members, is freedom and we must protect it at all cost.

Congressional Record--Appendix, pp. A34-A35

EXTENSION OF REMARKS OF HON. A. S. HERLONG, JR. OF FLORIDA IN THE HOUSE OF REPRESENTATIVES
Thursday, January 10, 1963

Mr. HERLONG. Mr. Speaker, "... I include in the RECORD, under unanimous consent, the following "Current Communist Goals,"...from "The Naked Communist," by Cleon Skousen:

17. Get control of the schools. Use them as transmission belts for socialism and current Communist propaganda. Soften the curriculum. Get control of teachers' associations. Put the party line in textbooks.

29. Discredit the American Constitution by calling it inadequate, old-fashioned, out of step with modern needs, a hindrance to cooperation between nations on a worldwide basis.

30. Discredit the American Founding Fathers. Present them as selfish aristocrats who had no concern for the "common man."

32. Support any socialist movement to give centralized control over any part of the culture--education, social agencies, welfare programs, mental health clinics, etc.

38. Transfer some of the powers of arrest from the police to social agencies. Treat all behavioral problems as psychiatric disorders which no one but psychiatrists can understand [or treat].

39. Dominate the psychiatric profession and use mental health laws as a means of gaining coercive control over those who oppose Communist goals.

Thank you
