The filing of such return shall be binding on all electing pass-through entity owners.

The credit shall be equal to the electing pass-through entity owner's direct share of the tax imposed under section 21, and amendments thereto. Subsequent to the application of all other credits allowed, if any excess credit exists, such amount shall be refundable to the electing pass-through entity owner. The credit allowed to an electing pass-through entity owner under this

As used in this subsection, "state" ~~shall have the meaning ascribed thereto~~ means the same as defined by subsection (h) of K.S.A. 79-3271(i), and amendments thereto. The credit allowable hereunder for income tax paid to a foreign country or political subdivision thereof shall not exceed the difference of such income tax paid less the credit allowable for such income tax paid by the federal internal revenue code. No redetermination of income tax paid for the purposes of determining the credit allowed by this subsection shall be required for the taxable year for which an income tax refund payment pursuant to the provisions of section 18 of article 10 of the Missouri constitution is made, but the income tax paid allowable for credit in the next following taxable year shall be reduced by the amount of such refund amount, except that, for tax year 1998, the income tax paid allowable for credit shall be reduced by the amount of such refunds made for all taxable years prior to tax year 1998.
