## FORTIETH DAY

---

HALL OF THE HOUSE OF REPRESENTATIVES,  
TOPEKA, KS, Wednesday, March 6, 2024, 11:00 a.m.

The House met pursuant to adjournment with Speaker Hawkins in the chair.

The roll was called with 118 members present.

Reps. Buehler, Highberger and Houser were excused on verified illness.

Reps. Butler, Donohoe, Poetter Parshall and Schreiber were excused on excused absence by the Speaker.

Prayer by guest chaplain, Rev. Dr. Annie Ricker, Shawnee Heights United Methodist Church, Topeka, and guest of Rep. Vic Miller.

God of Abundance,

We gladly remember that: “The eyes of all look to you,  
and you give them their food in due season.

You open your hand and satisfy the desire of every living  
thing.”

Help us *also* to remember our neighbors, especially those  
who are *not* well-fed, with countless needs that are still  
unmet.

And remind us, God, that often the way you open *your*  
hand is when we open *ours*.

Help us to live and govern in such a way that *your* open  
hands can truly bless our neighbors in Kansas.

It is in your name we pray. Amen.

The Pledge of Allegiance was led by Rep. Haskins.

### INTRODUCTION OF GUESTS

There being no objection, the following remarks of Reps. Johnson and Underhill are spread upon the Journal:

Rep. Johnson began, today we welcome and honor Tammy Potts of Basehor, Kansas for her community leadership and national acclaim as a mentoring leader in the Kansas mentor and care cat programs. Because of her many years of dedication and care for improving the education of children from pre-school to 12<sup>th</sup> grade in her own Basehor-Linwood District and modeling the program for other districts statewide, thousands of youths have benefited.

Tammy's career began not in education, but in the news business where she became an award-winning television journalist in the Kansas City area and for national news services. People who remember her news days remember a hard-nosed journalist who reported on some of the city's biggest stories. Her diligence sometimes placed her in dangerous situations, but she never backed down.

Rep. Underhill continued, in 1999, Tammy Potts began her new role in education under the mentor-ship of Kansas State University coach Bill Snyder. With Coach Snyder spearheading the statewide movement to implement the volunteer help of adults in schools as mentors in teaching and behavior modeling, the Kansas Mentor-ship program was created. Coach Snyder brought his success as a coach to education and the mentor program has flourished. In December, Coach Snyder attended Tammy's retirement ceremonies to serve as the guest speaker.

Today, Rep. Johnson is presenting his longtime education friend a certificate from the Kansas House of Representatives which states, "For her historic community leadership as a statewide and nationally acclaimed mentoring leader beginning in 1999 under Coach Snyder and continuing until her retirement in December 2023, she helped her school district and the State of Kansas become the gold standard in mentoring initiatives."

## INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Moser are spread upon the Journal:

Jewell County, Kansas. 1500 miles of roads-more than any other county in Kansas. The most county bridges of any county in Kansas. Home of more mammoth remains than anywhere else on the Great Plains. Also, home to the highest "Older Population Dependency" ratio in Kansas. As the roads and bridges connect Jewell County citizens, the old and the young, wisdom has been passed down to the youth of Jewell County. These fine young people with me today bring life and energy to Jewell County, and their future is bright.

The average GPA of these six students is 3.85, (four students have 4.0's) and many are taking advanced courses and dual credit courses including trigonometry, calculus, college algebra, and English composition.

I'd like you to meet these fine students from Rock Hills High School, Mankato, Kansas, your 1A State Champion Scholar's Bowl Team:

- Calen Beck - Calen is a junior and plans to attend NCK Technical College to complete the welding program. He aspires to become a leader in a successful business.
- Areielle Jacobs - Areielle is a senior and after high school she plans to be an independent business owner and stay in the Mankato area.
- Cooper Rhea - Cooper is a senior and plans to attend K-State and major in writing. Cooper aspires to become a script writer, technical writer, or work for a publisher.
- Hannah Simmelink - Hannah is a senior and plans to attend the United States Air Force Academy in Colorado Springs to become a space operations officer.
- Isabella Volker - Isabella is a senior and she plans to attend McPherson

College to cheer and pursue a career as an elementary or middle school science teacher.

- Ethan Wirth - Ethan is a sophomore and plans to attend K-State and major in electrical engineering following high school.
- Coach Chris Rhea - Coach Rhea has been with Rock Hills for the past 4 years and has coached Scholar's Bowl for 2 years.

Also joining us today in the gallery are the entire junior and senior classes of Rock Hills High School.

Please join Senator Bowers, Representative Waymaster-who used to represent a part of Jewell County, and me in congratulating the 1A State Champion Scholar's Bowl team from Rock Hills High School, USD 107, Mankato, Kansas, home of the Grizzlies!

### **INTRODUCTION OF GUESTS**

There being no objection, the following remarks of Rep. Sutton are spread upon the Journal:

Welcome to Gardner Day.

For the first time in twenty years, the Gardner-Edgerton High School boys cross country team brought home another State Championship.

They started the season off with a bang, winning the JK Gold Classic, then went on to win the coveted Kansas City Metro Cross Country Championship. The team finished off the season hitting the trifecta with the Sunflower League Championship, Regional Championship and the State Championship.

The team was led by Parker Walion, who would go on to be named First Team All Sunflower League. He was also named All Regional and All State. Nick Kolonzo and Cade Halton were also recognized as All League and All State selections. The team was named The Greater Kansas City Cross Country Coaches Association Team of the Year.

They are led by the Greater Kansas City Cross Country Coaches Association Coach of the Year, Walt Cochran.

The Trailblazer football program also had a historical season. They finished the season with a 12-1 record and a share of the Sunflower League on their way to a victory over Derby for the first State Championship in school history. This was a complete team effort throughout the summer and fall.

- All League Honors – Dylan Butash, Randy Singleton, Colton Hawkinson, Ethan Whitley, Kaleb Moore, Mark Debiak, Spencer Easley, Kaleb Dewey, Thomas Savastan, Cam and Eli Porter, Ashton Adrian, Gabe James, Serge Otiankouya, Remington Carpenter, Mason Matlock, Bravin Powell, Grant Ellis, Griffin Martin, Chase Bojanski, Zach Hiliard, Isaiah Williams, Max Nichols and Dawson Kindler.
- Sports in Kansas Top 11 - Mark Debiak
- All Simone – Quarterback Bravin Powell and Defensive End Mark Debiak.

- Sports in Kansas Assistant Coach of the Year – Bryan McCall

They are led by Coach Jesse Owen, who was named Sunflower League Coach of the Year, Sports in Kansas Head Coach of the Year and the Kansas City Chiefs Eric Driskell Coach of the Year. Athletic Director Jason Radel was certainly involved, both in Cross Country and Football.

And there's more. Although Manhattan won the 6A State Wrestling Tournament, GEHS had success there as well, with State Champions Madalyn Riedinger and Kasen Smith. With them is Coach Cordts.

Body, help me congratulate these amazing student athletes and the coaches who made their success possible.

### **INTRODUCTION OF GUESTS**

There being no objection, the following remarks of Rep. Sutton are spread upon the Journal:

Lest you think that Gardner-Edgerton School District is just about excellent athletics, understand that we're about excellence in general.

The first Milken Educator Awards were presented by the Milken Family Foundation in 1987. Created by Lowell Milken, the Awards provide public recognition and individual financial rewards to elementary and secondary school teachers, principals and specialists from around the country who are furthering excellence in education. Recipients are heralded in early to mid-career for their achievements and the promise of what they will accomplish.

Hailed as the "Oscars of Teaching," the Awards will honor only 75 recipients nationwide in 2023-24.

I present to you one of these very few recipients. Matthew Mayeske breathes life into world history and geography for his ninth and tenth grade students at GEHS, where he was once a student himself. His methods include integrating real-world scenarios and collaborative, inquiry-based instructional practices, transforming study into vibrant learning experiences.

With Mr. Mayeske are two other people who certainly contribute to the success of our teachers and district: Gardner-Edgerton High School Principal Frank Bell and USD 231 Superintendent Dr. Brian Huff.

Body, please join me in congratulating 2023-24 Milken Educator Award winner, Matt Mayeske.

#### EXPLANATION OF VOTE

MR. SPEAKER: I vote no on **SB 307**. The bill amends the definition of "qualified applicant" to include "for-profit private entities" and I don't support giving taxpayer money to for-profit businesses, even if it's for a good cause. In addition, the bill authorizes members of the board to be paid subsistence allowances, mileage, and other expenses. This will have a small fiscal cost to the state, and I don't believe it's something that's absolutely necessary. — BRETT FAIRCHILD, BILL RHILEY, SCOTT HILL
