

To: The House Committee on Election Integrity

Thank you for your service to the great state of Kansas. In an effort to support free and fair elections I am writing as a proponent of SB 208. So many in our nation have lost confidence in the election process. Ballot harvesting and mass ballot dumping in unmonitored locations represents a critical threat to our democracy.

Please support SB 208. This should be a bipartisan issue that both sides of the isle can agree on. Free and fair elections are critical to our republic.

Respectfully,

Scott and Amy Siple
