**RE:** HB 2470 – Property Tax Homestead Claims Extension  
*In support – Written Testimony*

The League of Kansas Municipalities supports HB 2470 as a sensible approach to continued tax policy regarding the Kansas Property Tax Homestead claims, and asks you to support its passage.

Any policy that makes it easier and more accessible for Kansas to utilize these programs at a time when all of us - cities, counties and the state – are focused on providing tax relief, is a positive.

This extension will not impact the program or cities in any negative way and will only benefit the citizens of Kansas and our residents.

Thank you for your time and consideration of these issues. I am always available to provide additional information and answer any questions you have.
