Mr. Chair and Members of the Committee,

KASB appears today in opposition to SCR 1611. Our testimony is based on our member-affirmed policy that states:

We oppose arbitrary limits on taxes and valuations because of the long-term impact on revenues for schools and other public services. We urge caution and due deliberation in the consideration of tax policy.

Thank you.

KASB is a non-profit service organization built on an abiding belief in Kansas public schools. We have put the needs of students and K-12 leaders first since 1917.
