54TH DISTRICT

Chairman Peck and Members of the Senate Agriculture and Natural Resources Committee,

Please refer to RS# 2024rs2511, a house bill that I am sponsoring regarding the appointment of KDWP commissioners.

The number of commissioners on the Kansas wildlife and parks commission shall be increased from 7 to 9.

The members of the Kansas Wildlife and Parks Commission shall be appointed as follows:

- Three appointed by the Governor.
- Two appointed by the President of the Senate.
- Two appointed by the Speaker of the House.
- Two appointed by the Attorney General.

No more than three commissioners shall be residents of the same congressional district.

The commissioners shall each serve a term of four years, which may be renewed at the discretion of the appointing official.

This shall take effect on July 1, 2024, with some new appointments to be made on that date.

In closing, I think this bill will give a more reflective and broader choice for the way the commission should look.
