

2012 Kansas Statutes

55-165. Maintenance of information on wells. The state corporation commission shall create and maintain a data base of all oil or gas wells in existence in this state. The data base shall include the location of each well and name, address and other information relevant to the identity of the operator of the well.

History: L. 1996, ch. 263, § 10; July 1.
