

2012 Kansas Statutes

75-5647. References to advisory commission for crippled and chronically ill children apply to the advisory commission for children with special health care needs. Whenever the advisory commission for crippled and chronically ill children is referred to or designated by statute, contract or other document, such reference or designation shall be deemed to apply to the advisory commission for children with special health care needs.

History: L. 1988, ch. 241, § 13; July 1.
