RE: Testimony for HB 2166

Dear Chairman Kinzer:

Thank you for the opportunity to offer testimony on the above-referenced bill on February 13, 2013.

As you are aware, we learned about the bill shortly before the hearing was to be held. Our objection was based on our concern that this bill might affect Child Support Services. However, upon further research and consultation with the Revisor's Office, we respectfully withdraw our objection.

If you have any questions or concerns, please feel free to contact me at your convenience.

Sincerely,

A handwritten signature in blue ink, appearing to read "C. J. Kellogg".
