

9-1701. Examination of banks and trust companies. (a) The commissioner or the commissioner's assistant or examiners shall visit each bank and trust company at least once every 18 months, and may visit any bank or trust company if the commissioner deems it necessary, for the purpose of making a full and careful examination and inquiry into the condition of the affairs of such bank or trust company. For such purpose the commissioner, the commissioner's assistant and examiners are authorized to administer oaths and to examine under oath the directors, officers, employees and agents of any bank or trust company. Such examination shall be reduced to writing by the person making it and such person's reports shall contain a full, true and careful statement of the condition of such bank or trust company. The commissioner in lieu of making a direct examination and inquiry may accept the examination and report of an authorized federal agency. The commissioner shall provide to the board of directors of the bank or trust company a copy of the examination report written by the state examiners. Neither the commissioner, the commissioner's assistant nor any examiner shall examine any bank or trust company in which the person making such examination is a stockholder or is otherwise financially interested or to which bank or trust company or any officer thereof the person making the examination is indebted.

(b) The examination team may conduct an exit review meeting with the board of directors of a bank or trust company following the examination provided in subsection (a), of such bank or trust company. Such an exit review shall be conducted when requested by the board of directors or management of the bank or trust company. Minutes shall be kept at all exit review meetings by the bank in any manner the bank determines to be appropriate.
