

**11-301. Census data for reapportionment of senatorial and representative districts; adjustment of federal census.** In accordance with this act, the secretary of state shall obtain data to make adjustments to each federal decennial census such that there is compliance with subsection (a) of section 1 of article 10 of the constitution of Kansas. The secretary shall make or cause to be made all such adjustments.

**History:** L. 1989, ch. 257, § 1; May 18.
