

**13-1055b. Same; bonds; limitations; retirement.** For the purpose of paying for any main sanitary interceptor sewers or one or more main storm water sewers or drains ordered constructed under this act, the governing body may issue general obligation bonds of the city. Such bonds shall be issued, registered, sold and delivered in accordance with the provisions of the general bond law and may be issued without a vote of the electors. Bonds issued under the authority of this act shall be in addition to and not subject to or within any bonded debt limitation prescribed by any other law of this state. Bonds issued to pay the cost of main sanitary interceptor sewers may be retired from funds received from sewage service charges.
