(2) No law enforcement agency shall refuse or otherwise fail to accept a missing person report for any reason except when the law enforcement agency:

- (A) Knows the location of the person reported missing;
- (B) has confirmed the safe status of the person reported missing; or
- (C) has confirmed that another law enforcement agency has already completed a report on the missing person incident.

(3) The reports shall be entered as soon as practical into the missing person system of the national crime information center and the missing and unidentified person system of the Kansas bureau of investigation.

(4) The law enforcement agency immediately shall commence an investigation based upon the elements of the initial reports.

(b) The law enforcement agency shall provide the person making such report with contact information and information concerning the national center for missing and exploited children and the national center for missing adults.

(c) Within a reasonable period of time, and in no case longer than 30 calendar days, follow-up forms from the national crime information center or the Kansas bureau of investigation, or both, shall be given to the reporting party, to be completed and returned to the law enforcement agency. The data reported on the follow-up forms shall be entered immediately into the missing person system of the national crime information center and the missing and unidentified person system of the Kansas bureau of investigation.

Upon location of or contact by the missing person, the law enforcement agency shall clear the case in the national crime information center and Kansas bureau of investigation databases.

- (B) under suspicious or known dangerous circumstances;
- (C) more than 30 days;
- (D) who have been designated as high-risk missing persons by another law enforcement agency; or
- (E) under any facts or circumstances that would lead the law enforcement agency to believe such person may be at risk of bodily harm or death.

(4) Upon a determination that a missing person is a high-risk missing person, the law enforcement agency shall immediately and specifically make such determination known to the missing and unidentified person system of the Kansas bureau of investigation and the missing person system of the national crime information center.
