MEMORANDUM

To: House Committee on Veterans and Military
From: Jenna Moyer, Assistant Revisor of Statutes
Date: January 25, 2018
Subject: Designating Kansas commission on veterans affairs office employees as safety sensitive positions subject to drug screening.

HB2465 amends K.S.A. 75-4362 in subsection (g)(9) to add employees of the Kansas commission on veterans affairs office to the list of safety sensitive positions.

Current law allows certain employees to be subject to drug screening if reasonable suspicion of illegal drug use exists, but the designation as 'safety sensitive positions' would also subject applicants for positions in the KCVAO to drug screening after being given a conditional offer of employment.

Subsection (b)(7) is then stricken because safety sensitive positions are already included in the list and inclusion would be duplicative.
