Re: HB 2477 PROPONENT WRITTEN TESTIMONY

Dear Senator Kerschen and Members of the Committee:

I am writing you to submit written testimony to ask that you please support your constituents, and that you will be the voice for all Kansas animals, by voting in favor of HS 2477 as amended by the full House.

The amendments take into consideration not only the welfare of Kansas companion animals, which are considered family members to many, but it also ensures the Animal Facility Inspection Program is fair by laying the burden of expense toward those who have caused the most drain on already strained resources. By requiring no contact in advance of inspections, it will ensure the integrity of the inspection process.

Thank you for allowing me the opportunity to provide written testimony.

Respectfully,

Jennifer Sanders
