

Kansas Insurance Department

Ken Selzer, CPA, Commissioner of Insurance

SENATE FINANCIAL INSTITUTIONS AND INSURANCE

TESTIMONY ON HB 2067

March 15, 2017

Chairman and Members of the Committee:

This bill gives the department of Insurance additional resources to make sure that newly licensed insurance agents are properly vetted. Current state law allows a criminal background check. This bill would allow that background check to include a nationwide criminal history report to be obtained.

Passage of this law would help keep Kansas citizens safe by ensuring that our state only licenses insurance agents with appropriate backgrounds.
