The Honorable Les Mason, Chairperson  
House Committee on Commerce, Labor and Economic Development  
Statehouse, Room 521-E  
Topeka, Kansas 66612

Dear Representative Mason:

SUBJECT: Fiscal Note for HB 2532 by House Committee on Commerce, Labor and Economic Development

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2532 is respectfully submitted to your committee.

HB 2532 would amend the Roofing Contractor Registration Act. Current law exempts owners of commercial, residential or farm property who have employees that perform roofing services on the owner's buildings on the owner's property from the regulations of the Act. The bill would clarify that the structure would need to be located on the commercial property as it currently only includes residential and farm property.

The Department of Commerce states that HB 2532 would have no fiscal effect.

Sincerely,

Shawn Sullivan,  
Director of the Budget
