SESSION OF 2017

SUPPLEMENTAL NOTE ON HOUSE BILL NO. 2089

As Recommended by House Committee on Corrections and Juvenile Justice

Brief*

HB 2089 would lower the penalty for the crime of unlawfully tampering with electronic monitoring equipment from a severity level 6 nonperson felony in all cases to a severity level 8, nonperson felony when the equipment is used for court-ordered supervision, postrelease supervision, or parole in relation to a felony, and to a class A nonperson misdemeanor when the equipment is used for court-ordered supervision, postrelease supervision, or parole in relation to a misdemeanor or for court-ordered supervision in a civil case.

Background

The bill was introduced by the House Committee on Corrections and Juvenile Justice at the request of the Kansas Sentencing Commission. In the House Committee hearing, a representative of the Kansas Sentencing Commission testified in support of the bill. A representative of the Johnson County Department of Corrections submitted written testimony supporting the bill. A representative of the Kansas Association of Chiefs of Police, Kansas Peace Officers Association, and Kansas Sheriffs Association testified in opposition to the bill.

According to the fiscal note prepared by the Division of the Budget, the Kansas Sentencing Commission estimates the bill would reduce the need for prison beds by four in FY 2018 and by nine in FY 2027. The Kansas Department of
