

2018 Kansas Statutes

48-3304. Effect of act. Nothing in this act shall operate or be construed in any manner so as to change or affect the operation of the Kansas wing of the federally chartered civil air patrol or to change or affect any existing rights, powers, duties or functions thereof or to prohibit or limit cooperation thereby with the United States government or with any agency, authority or department thereof.

History: L. 1988, ch. 167, § 4; July 1.
