Re: HB 2601

Dear Education Committee,

Hello! My name is Bethany Harders and I have an 18 month old son named Judd. Judd is an outstanding child, advanced in every area of learning and is 100% UNVACCINATED. He has had zero allergies or rashes and has only been sick with a common cold once in his whole life. My son's future is my #1 priority, and I hope and pray daily that us Kansans who choose to keep our children safe from the dreadful harms of vaccinations, will continue to have that right for years to come. I will do whatever it takes to make this happen! Thank you!

Bethany Harders,
Moundridge, KS
