

TESTIMONY OF MATT VLACH, CAA
HOUSE HEALTH AND HUMAN SERVICES COMMITTEE
PROPONENT REGARDING HB 2295
FEBRUARY 18, 2019

Chairwoman Landwehr,

My name is Matt Vlach, a CAA working in Kansas City, Missouri. I am writing you today to show my support for the passing of House Bill 2295. I have lived in Kansas City since grade school. I have been employed at Saint Luke's Hospital of Kansas City for the last 5 years. My current employer has work opportunities in Kansas, and I love to be able to explore those options! It would mean a great deal to both myself and my employer if I were able to work in Kansas. I truly hope you consider my viewpoint when deciding on HB 2295. Thank you for your time.

Sincerely,

Matt Vlach, CAA
