HOUSE BILL 2576

Testimony of Sharon Gaede, Lyon County Treasurer
President, Kansas County Treasurers Association

Mr. Chairman and Members of the Taxation Committee:

Thank you for the opportunity to provide testimony on behalf of Lyon County and as President of the Kansas Treasurers Association on House Bill 2576.

The Kansas County Treasurers Association is neutral on HB2576. This bill would have the mailing date of the tax statements to taxpayer's date move from December 15 to December 10.

With HB2576 just moving the date up 5 days would not have an adverse effect on the treasurer's office, but we would be in opposition of moving it back further as the tax roll stems from the clerk's office getting values and mill levies set. Counties do rely on surrounding counties for this information when there are joint districts involved.

Thank you for the opportunity to provide written testimony as being neutral on HB2576 as presented. Thank you also for your time and consideration.

Sincerely,

Sharon Gaede
Kansas County Treasurers Association
Lyon County Treasurer
