

1-22-10 HB2431 JUDEN

Good evening.

My name is Teresa Stalnaker and I would like you to encourage you to support HB2431JUDEN. Tyler Juden was a close personal friend of our family. My younger son was his classmate and played both baseball and football with him. Tyler was excited to serve his country after high school. During high school Tyler excelled in shooting competitions, which made him an obvious choice as a sniper. Although he wanted to be a part of the presidential guard, he took his assignment and made the most of it. Tyler was a person who always put family town and country before himself. Please consider honoring his ultimate sacrifice by letting the East Kansas Ave. bridge be named for him.

Thank you!

Teresa Stalnaker
