Good Morning Mr. Chairman and other distinguished Members of the Committee, thank you for  
the opportunity to testify in support of Senate Bill 129:

Many people don't vote because they can't get to their polling place to vote on time. They may  
work, have appointments or children to pick up at the opposite side of town where their polling  
place is located. You should be able to vote at your convenience. This bill would allow those  
voters to vote at any location.

Thank you for your time and attention. I urge you to support SB129.

Sincerely,

*Oletha Faust-Goudeau*

Senator Oletha Faust-Goudeau
