

2020 Kansas Statutes

19-625. Reports of county officers. The county treasurer, county clerk, sheriff, register of deeds and every other officer collecting any money for the county shall prepare and file with the county auditor monthly, a sworn statement of all fees, fines and other moneys collected by such officer belonging to such county. The auditor shall examine the books of all such officers and shall compare such sworn statements with the books in the possession of the auditor and with the auditor's ledger account and report the examination to the board of county commissioners.
