The roll was called with 121 members present.

Prayer by Rep. Jacobs:

Heavenly Father God, we come to You in the Name of Jesus who is the way, the Truth, and the Life, the Creator of all the universe, and the Judge and Redeemer of men's souls. We thank You God that You love us and You remind us in Your Holy Word that, "You know the plans that You have for us, plans to prosper us, and not to harm us, plans to give us a Hope and a Future, and You said, if we would call upon You, You would listen to us and that we would find You when we seek for You with all of our hearts." So, this morning we acknowledge that You are the Potter, and we are the clay, and we humbly ask that You mold and shape us to the men and women You've called us to be. We ask for Your forgiveness of our sins and we humbly ask for Your amazing grace, wisdom and Your divine boldness to stand for what is right according to Your Holy Word, no matter the cost or the loss. Let us be a people who seek Your face with all our hearts in obedience. And it's in Jesus Mighty Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Poskin.

EXPLANATIONS OF VOTE

MR. SPEAKER: I vote yes on **HB 2110** because as more children are suffering from diseases that are hard to diagnose and come on suddenly, part of the conversation needs to be vaccine injury and holding the vaccine manufacturers accountable.

We cannot keep injecting our children with poison and increasing the vaccines given and then wonder why we have an epidemic of undiagnosed diseases. I suggest we make vaccine companies liable, I would hope eventually we can focus on the root issue of vaccine injuries and PANDAS will become extinct in our kids.

Today, I cast this vote in honor of every family in Kansas that has suffered in silence.
 – TATUM LEE

MR. SPEAKER: I vote “NO” on **HB 2110**. While my heart goes out to the families who will experience this terrible health issue, I cannot in good conscience appropriate money the constituents of my district have given to the state for the purpose of funding our government and expend it for some other cause. It would, in my opinion, be a violation of the oath of office I have sworn to uphold. In the words of Colonel Davy Crockett, the is “No Ours to Give.” – RANDY GARBER

EXPLANATIONS OF VOTE

MR. SPEAKER: Today, I vote NO on **HB 2559**. In the 1985 Farm Bill, the mandatory beef check off tax was enacted. It was previously voluntary, but the government got involved and made it a tax that producers in 2021 are still being required to pay. In 2021 The Beef Check Off tax, generated over 77Mil! An average steer is 1300 lbs. Less than

a cotton bale. Producers in 2021 pay a mandated \$1/head every time they buy and sell and that money goes to private cattle associations they may not even agree or be members of. This cotton fund is currently voluntary, if cotton producers felt there was value in this fee, there would be no need to come to the legislature. Take it from the Beef Producers that are stuck since 1985, don't mandate this tax. – TATUM LEE

MR. SPEAKER: I vote No on **HB 2559**. Control of the Boll Weevil is vital to the success of the cotton farming industry in Kansas; but levying a fee on cotton producers to be paid to a private organization which keeps any unspent funds for its own use is wrong. Control of Boll Weevils is important. It is the responsibility of government. These fees should be paid to the Kansas Department of Agriculture, not a private organization. I therefore vote No on **HB 2559**. – JOHN CARMICHAEL

EXPLANATION OF VOTE

MR. SPEAKER: I vote yes on **HB 2567**. Rarely do you have the opportunity to help both the taxpayer and government. This bill reduces the final cost for each motor vehicle registration and targets more dollars to your local offices to cover the expense of providing motor vehicle services in your community. This bill also provides transparency and property tax relief for Kansans because, as a former county commissioner, I can assure you the treasurers have been going to the county for years to subsidize shortfalls when the fees don't cover expenses. A "YES" vote is a vote for lower fees and lower property taxes. — ADAM SMITH, SUSAN OLIVER ESTES, LISA M. MOSER

EXPLANATION OF VOTE

MR. SPEAKER: I vote No on **HB 2579**. Requiring all campaigns for state Representative or state Senate to file electronically is bad public policy. Most persons who run for the legislature are 60 or above. First-time candidates, in particular, can struggle to find anyone willing to put up with the hassle of being a campaign treasurer. We need to not put barriers in the way for newcomers to the legislature. Most campaigns enjoy the ability to file electronically and that is great. This bill should be amended to grant an automatic exemption for any campaign that requests it. – PAUL WAGGONER

A two-thirds majority of the members elected to the House having voted in the affirmative, the resolution was adopted, as amended.

EXPLANATION OF VOTE

MR. SPEAKER: As far as I can tell, the office of elected sheriff is under no threat whatsoever in at least 103 counties. Allowing the citizens of the entire state to vote to tell an individual county that it must have an elected sheriff is just as much an infringement of local control as when a majority of members of this body vote to tell my community what it can and can't do. I vote NO on **HCR 5022**. – DENNIS "BOOG" HIGHBERGER, JOHN CARMICHAEL

EXPLANATION OF VOTE

MR. SPEAKER: I vote no on **HB 2605**. The bill takes a program that currently only exists in rural counties and potentially expands it to more urban areas of the state. Since there are a limited number of scholarships in the bill, I believe this bill is more likely to harm our rural communities than help them. The bill also creates a new committee, which expands government. – BRETT FAIRCHILD, BILL RHILEY
