

WRITTEN TESTIMONY ONLY

March 13, 2022.

I am in support of Senate Bill 276.

Chairman Concannon and House Committee Members:

My spouse was blind and I also raised a blind daughter.

I believe it is essential that every blind Kansan be allowed to raise their children.

Please see that Senate Bill 276 Blind Parents' Rights Act does get passed.

Sincerely,

Maxine Davis  
Salina, Kansas  
Saline County  
House District 71.
