To Whom it may concern
My name is Kenneth C. Duke, I am
handicapped & living off Social Security.
I have a client obligation of \$604.00
every month - after paying this my rent
and buy a few groceries I have spent all
of my Social Security and have nothing to
live on the rest of the month. I average
4 to 6 trips to Topaha from Emporia to
Dr. appointments with expenditures I see, which
costs me gas & transportation fees. I take 20 some
meds every day. So it comes down to deciding
what to pay to live. Please add something
to help lower client obligations - so can
not have to make choices each month on
whether to pay rent - buy food or not go
to doctor appointments and other essential needs
for every day living.

Thank you.

Kenneth C. Duke
