KEN CORBET
54TH DISTRICT

Chairwoman Tyson and members of the Senate Tax Committee,

I am here to support SB 149.

When a business has been ordered to shut its doors or have their hours of operation or capacity reduced, the affected property owner may make application to the county commissioners of the county in which the property is located for a reimbursement of the property taxes levied based upon reduced hours of operation and reduced capacity, or complete business doors lock shut down.

It's not government's right to determine what business are essential, but their customers will do that.

A handwritten signature in blue ink that reads "Ken Corbet".
