700 S Rogers Rd
Olathe, KS 66062

The Honorable Mike Petersen, Chairperson:

I have known Dennis Wilson since 1995 when I served with him in the Kansas House of Representatives. Because of his extensive business background, we hit it off immediately. Dennis and I spent many hours together trying to “improve” legislation from a business perspective. We both believed that if one grew the economy, then it was better for everyone.

Later, I followed Dennis as Director of the Kansas Lottery. He offered me great advice before I ultimately accepted the job.

More than a co-worker or just a peer, I thought of Dennis and Vickey as dear friends. That is why I wholeheartedly endorse SB 20. I think it is a well-deserved honor for a man who gave so much to his country and to this State.

Thank you very much,

Terry P Presta
