Honorable Senator Mike Peterson
Chairperson, Senate Committee on Transportation
State House, Room 345-S
Topeka, Kansas 66612

This communication is in support of Kansas SB 20 which would name a portion of US 69 Highway in Overland Park as the Dennis M. Wilson Memorial Highway.

Dennis was a long time resident of Johnson County. He served as an elected State Representative in the Kansas House 29th District as well as elected State Senator 37th District.

Dennis also served from 2001 to 2004 as the last elected Johnson County Treasurer. His service to our state and our county covered a period of 27 years.

I am pleased to support the naming of a portion of US 69 Highway as a memorial to Dennis Wilson's service to our community.
