Written Testimony

Kent Selk, Driver Services Senior Manager
Kansas Division of Vehicles
March 24, 2021

Chairman Petersen and Members of the Committee,

My name is Kent Selk, Driver Services Senior Manager with the Kansas Division of Vehicles providing neutral testimony.

House Bill 2295 exempts the operators of the motor graders from Commercial Driver's License (CDL) requirements. The Division contacted the Federal Motor Carrier Safety Administration (FMCSA) regarding the provision of HB 2295. FMCSA confirms the exemption of CDL requirements for the operators of motor graders. This change will not negatively impact our compliance with FMCSA.

My contact information is listed below, should you have questions.

Thank you.
