Wyoming	Comprehensive Waiver	Transportation is a gap service that enables participants to gain access to employment sites, community services, activities, and resources as specified in the IPC, when a service provider is not needed at the event. This service is not intended to replace formal or informal transportation options, such as the use of natural supports, city transportation services, travel vouchers, and Medicaid State Plan services. Transportation services under the waiver shall be offered in accordance with an individual's IPC, and only when family, neighbors, friends, or community agencies are unable to provide transportation alternatives. Services are for ages 18 and older and do not include transportation to medical appointments required under 42 CFR 431.53, or transportation services available under the Medicaid State Plan.	Service will be reimbursed by trip. A trip may be rounded up to five miles if at least two miles are traveled. A trip may be rounded up to ten miles if at least 7 miles are traveled. Service is capped at \$2,000 per year. Transportation services shall not be used in conjunction with, or to access, other waiver services that include transportation as part of the service rate.
