

2021 Kansas Statutes

12-3509. Department budgets to include items to pay liability. When the amount of any special assessment of taxes for which the state is liable is known by the secretary, he or she shall notify the appropriate state department head of the amount to be included in the budget of the department for payment of such assessment, and such department head shall cause such an item to be included in the proposed budget of his or her department.

History: L. 1969, ch. 428, § 9; July 1.
