Such requirements document shall contain a list of all product filing requirements for each type of insurance that is required to be filed. A filer shall certify that the policy form, including any accompanying supplemental document, meets all requirements of state law.

(d) (1) Any risk classifications, premium rates, rating formulae, and all modifications thereof applicable to Kansas residents shall not establish an unreasonable, excessive or unfairly discriminatory rate or, with respect to group or blanket sickness and accident policies providing hospital, medical or surgical expense benefits issued pursuant to K.S.A. 40-2209 or 40-2210, and amendments thereto, discriminate against any individuals eligible for participation in a group, or establish rating classifications within a group that are based on medical conditions. In no event shall the rates charged to any group to which this subsection applies increase by more than 75% during any annual period unless the insurer can clearly document a material and significant change in the risk characteristics of the group.

(2) All rates for sickness and accident insurance providing hospital, medical or surgical expense benefits covering Kansas residents shall be made in accordance with the following provisions and due consideration shall be given to:

(A) Past and prospective loss experience;

(B) past and prospective expenses;

The commissioner is hereby authorized to issue such rules and regulations as are necessary and not inconsistent with this act.
- (e) All parties in the filing process shall act in good faith and with due diligence in performance of their duties pursuant to this section.
- (f) (1) Within 30 days of receipt of the initial filing, the commissioner shall review and approve such filing or provide notice of any deficiency or disapprove the initial filing. Any notice of deficiency or disapproval shall be in writing and based only on the specific provisions of applicable statutes, regulations or bulletins published by the commissioner having the force and effect of law in this state and contained in the requirements document created by the commissioner pursuant to subparagraph (A) of paragraph (2) of subsection (c). The notice of deficiency or disapproval shall provide specific reasons for notice of deficiencies or disapproval. Such reasons shall contain sufficient detail for the filer to bring the policy form into compliance, and shall cite each specific statute, rule and regulation or bulletin having the force and effect of law in this state upon which the notice of deficiency or disapproval is based. Any notice of disapproval provided by the commissioner shall state that a hearing will be granted within 20 days after receipt of a written request therefor by the insurer. At the end of the 30 day period, the policy form shall be deemed approved if the commissioner has taken no action.
- (2) In addition to the statutes, regulations or bulletins described in paragraph (2) of subsection (c), the commissioner may disapprove a filing or provide a notice of deficiency for any form for which the commissioner determines that the benefits provided therein are unreasonable in relation to the premium charged; or if such form contains any provisions which are unjust, unfair, inequitable, misleading, deceptive or encourage misrepresentation of such policy. Any notice of disapproval provided by the commissioner pursuant to this paragraph shall state that a hearing will be granted within 20 days after receipt of a written request therefor by the insurer.
- (3) If the insurer has received a disapproval or notice of deficiency or disapproval regarding a policy form, it shall be unlawful for an insurer to issue such policy form or use such policy form in connection with any policy until that policy form has received a later approval by the commissioner.
- (4) Within 30 days of receipt of the commissioner's notice of deficiency or disapproval, a filer may resubmit a policy form that corrects any deficiencies or resubmit a disapproved policy form and a revised certification. Any policy form not resubmitted to the commissioner within 30 days of the notice of deficiency shall be deemed withdrawn. Any disapproved policy form not resubmitted to the commissioner within 30 days of the notice of disapproval shall be deemed disapproved.

Any notice of disapproval pertaining to the resubmitted filing and certification shall be in writing and provide a detailed description of the reasons for the disapproval in sufficient detail for the filer to bring the policy form into compliance. The notice of disapproval shall cite each specific statute, rule and regulation or bulletin having the force and effect of law in this state upon which the disapproval is based. No further extension of time may be taken unless the filer has introduced new provisions in the resubmitted filing and certification or the filer has materially modified any substantive provisions of the policy form, in which case the commissioner may extend the time for

review by an additional 30 days. At the end of this 30 day review period, the policy form shall be deemed approved if the commissioner has taken no action.

(B) (i) Subject to clause (ii) of this subparagraph, the commissioner may not disapprove a resubmitted policy form for reasons other than those initially set forth in the original notice of deficiencies or disapproval sent pursuant to paragraph (1) of this subsection.

(6) At the end of the review period, the policy form shall be deemed approved if the commissioner has taken no action.

(g) Except in cases of a material error or omission in a policy form that has been approved or deemed approved pursuant to the provisions of this act, the commissioner shall not:

(1) Retroactively disapprove that filing; or

(2) with respect to those policy forms, examine the filer during a routine or targeted market conduct examination for compliance with any later-enacted policy form filing requirements.

(h) If a rate filing or marketing material is required to be filed or approved by state law for a specific policy form, the time frames for review, approval or disapproval, resubmission, and re-review of those rate filings or marketing materials shall be the same as those provided for in subsection (f) for the review of policy forms.
