

2021 Kansas Statutes

71-1305. Same; certification of election results; state board's order of establishment. Before any consolidated community college district is finally approved under article 13 of chapter 71 of Kansas Statutes Annotated the results of the election shall be certified by the responsible county election officer in accordance with the determination of the county board of canvassers of such county to the state board, and if such election was favorable to consolidation of the school districts, it shall issue an order establishing the new community college district. Such order shall describe the boundaries thereof.

History: L. 1968, ch. 77, § 5; L. 1980, ch. 207, § 66; July 1.
