The inspector general shall not be required to obtain permission or approval from any other official or department prior to making any such recommendation.

(k) (1) The inspector general shall make provision to solicit and receive reports of fraud, waste, abuse and illegal acts in such programs from any person or persons who shall possess such information. The inspector general shall not disclose or make public the identity of any person or persons who provide such reports pursuant to this subsection unless such person or persons consent in writing to the disclosure of such person's identity. (2) No person shall:

(A) Prohibit any agent, employee, contractor or subcontractor from reporting any information under subsection (k)(1); or

(B) require any such agent, employee, contractor or subcontractor to give notice to the person prior to making any such report.

(3) Subsection (k)(2) shall not be construed as:

(A) Prohibiting an employer from requiring that an employee inform the employer as to legislative or auditing agency requests for information or the substance of testimony made, or to be made, by the employee to legislators or the auditing agency, as the case may be, on behalf of the employer;

(B) permitting an employee to leave the employee's assigned work areas during normal work hours without following applicable rules and regulations and policies pertaining to leaves, unless the employee is requested by a legislator or legislative committee to appear before a legislative committee or by an auditing agency to appear at a meeting with officials of the auditing agency;

(C) authorizing an employee to represent the employee's personal opinions as the opinions of the employer; or

(D) prohibiting disciplinary action of an employee who discloses information which: (i) The employee knows to be false or which the employee discloses with reckless disregard for its truth or falsity; (ii) the employee knows to be exempt from required disclosure under the open records act; or (iii) is confidential or privileged under statute or court rule.

(n) No contractor who has been convicted of fraud, waste, abuse or illegal acts or whose actions have caused the state of Kansas to pay fines to or reimburse the federal government more than \$1,000,000 in the medicaid program shall be eligible for any state medicaid contracts subsequent to such conviction unless the attorney general finds that the contractor is the sole source for such contracts, is the least expensive source for the contract, has reimbursed the state of Kansas for all losses caused by the contractor, or the removal of the contractor would create a substantial loss of access for medicaid beneficiaries, in which case, after a specific finding to this effect, the prohibition of this subsection may be waived by the attorney general. Nothing in this section shall be construed to conflict with federal law, or to require or permit the use of federal funds where prohibited.

(o) All information and records of the inspector general that are made, maintained, kept, obtained or received under any investigation or audit under this section shall be confidential, except as required or authorized pursuant to this section.
