79-32,177. Credit against tax for making certain property used in trade or business or held for production of income accessible to or usable in the employment of persons with a disability; amount; carryover to subsequent taxable years. Any taxpayer who makes expenditures for the purpose of making all or any portion of an existing facility accessible to individuals with a disability, or who makes expenditures for the purpose of making all or any portion of a facility or of equipment usable for the employment of individuals with a disability, which facility or equipment is on real property located in this state and used in a trade or business or held for the production of income, shall be entitled to claim an income tax credit in an amount equal to 50% of such expenditures or, the amount of \$10,000, whichever is less, against the income tax liability imposed against such taxpayer pursuant to article 32 of chapter 79 of the Kansas Statutes Annotated, and amendments thereto. Such tax credit shall be deducted from the taxpayer's income tax liability for the taxable year in which the expenditures are made by the taxpayer. If the amount of such tax credit exceeds the taxpayer's income tax liability for such taxable year, the amount thereof which exceeds such tax liability may be carried over for deduction from the taxpayer's income tax liability in the next succeeding taxable year or years until the total amount of the tax credit has been deducted from tax liability, except that no such tax credit shall be carried over for deduction after the fourth taxable year succeeding the taxable year in which the expenditures are made.
