

2012 Kansas Statutes

2-505. Plans for and supervision of demonstration work; seeds and plants therefor. All work upon such demonstration farms shall be planned and supervised by representatives of the board of regents, and they may furnish such seeds and plants at reasonable cost on board the cars at Manhattan, Kansas, as will not interfere with experimental work done at the college.

History: L. 1909, ch. 223, § 2; March 5; R.S. 1923, § 2-505.
